

Termly Fees for Academic Year 2026/7

We are committed to transparency and encourage families to reach out with any questions regarding our fees. Our goal is to ensure that all families fully understand their options and our pricing structure.

Morning sessions run from 9am until 12.30pm.

Extended days run from 9am until 3pm and children bring their own healthy packed lunch.

(NB: Occasionally, afternoon sessions are offered in agreement with the manager.)

We encourage our 2-year-olds to attend a minimum of three mornings or two extended days each week. We encourage all our children to attend a minimum of five sessions from the term following their third birthday. An extended day counts as two sessions.

A place at the nursery is subject to payment of our non-refundable registration fee of £45 (££5 for siblings). A £250 deposit is also required upon acceptance of your child's place and is returned to you when they leave the nursery, provided the correct notice has been given.

The 9- to 23- month- old working family entitlement (30 hours) applies to eligible families when a child joins us during the term they turn two years old.

The 2-year-old working family entitlement (30 hours) applies to eligible families from the term after a child's second birthday.

The 3- and 4-year-old universal entitlement (15 hours) applies to all children from the term after a child's third birthday.

The 3- and 4-year-old extended entitlement (additional 15 hours, totalling 30 hours) applies to eligible families from the term after a child's third birthday.

We are also registered to accept a range of childcare vouchers and tax-free childcare funding. Please speak to Miss Andrea for more details regarding these.

At The Willow Tree Nursery School, we offer government-funded hours as follows:

Monday to Thursday: 9:30am to 2:30pm

Friday: 9:30am to 12:30pm

All other hours are privately paid.

We offer a maximum of 23 hours funding each week.

Due to our opening hours and funded hours offer an eligible child cannot receive the full 30 hours of funding each week at our setting. The additional 7 hours of funding each week can be used at another setting, such as another nursery or childminder.

Please follow the link: [Childcare Choices | 30 Hours Childcare, Tax-Free Childcare and More | Help with Costs | GOV.UK](#) to read more about the funding and support available. For the 2-year-old working families' funding (30 hours) and the 3- and 4-year-old extended entitlement (30 hours), you will need to apply online. If you are eligible, you will receive a reference number that you need to pass on to us so that we can apply for the funding for your child. You will need to reconfirm your details on the online system every three months to ensure that you remain still eligible.

We follow the LBHF term dates as closely as possible, and therefore have longer terms than many other private term-time settings.

Early drop-offs are available from 8.30am daily, at an additional cost of £6 per early drop-off.

Additional ad hoc sessions are available upon request, depending on availability. Fees for these are as follows:

- One additional morning: £51.75
- One additional afternoon: £38.30

We have a limited number of fully funded places available. These places are exempt from both a registration fee and a deposit. If this is something you would like to explore, please email us to discuss availability and eligibility.
